If I Lose

Common Key: C

```
 1                              4
I never thought I'd need you, but now I found I'm wrong
5                                        1
Come on back sweet mama back where you belong
     1                    4
I've gambled all over town, find that I can't win
  5                              1
So come on back and pick me up again

          5           1
    Now if I lose,  let me lose
          5                 1
    I don't care how much I lose
      1                              4
    If I lose a hundred dollars while I'm trying to win a dime
       5                          1
    My baby she's got money all the time

 1                        4
Of all the other gals I know, none can take your place
     5                                  1
Cause when I get into a jam they just ain't in the race
  1                          4
So now that you're back dear let's make another round
     5                                1
With you here by my side dear the deal just can't go down
