

Blue Ridge Mountain Blues

Common Key: G#

G# D# G#
When I was young and in my prime, I left my home in Caroline

G# D# G#
Now all I do is sit and pine, for all the folks I left behind

G# D#
I've got those Blue Ridge Mountain blues

G#
I want to hear those hound dogs bay

G# C#
I want to hunt the possum while the corn tops blossom

D# G#
In the Blue Ridge far away

G# D# G#
I see a window with a light, I see two heads of snowy white

G# D# G#
I seem to hear them both recite, "Where is my wandering boy tonight?"

G# D# G#
I'll always do right by my Ma, I'll always do right by my Pa

G# D# G#
I'll hang around that cabin door, no work nor worry anymore

G# D#
I've got the Blue Ridge Mountain blues

G#
And I stand right here and say

G# C#
My grip is packed to travel and I'm scratching gravel

D# G#
To that Blue Ridge far away
